CHAPTER 2

Characters: Gray Beaver, White Fang - the gray cub, Kiche - the she-wolf, Hip-Hip, Indians

Where: in the Indians camp

Story: One day the she-wolf and her cub went out and the Indians was there too. They know the she-wolf well because she was half dog they call her Kiche. They also named the gray cub White Fang because of his little white fangs. The cub don't know what the Indians wanted and snarled at them but they just laughed and kicked him. They took them to their camp but there was no love in it a dog called Hip-Hip fight with White Fang on his first day and bite him too. One day an Indian took his mother Kiche on the river but he run after them and jumped into the water. Gray Beaver came after with his boat and grab his neck angrily and kick him so many times when he dropped the cub into the boat he bite him and he hit White Fang again and again. He missed his mother so much because he was all alone. Once he fought with the others he killed one dog and the Indians always shout at him when they saw him.

Vocabulary:

fang - agyar

leather - bör

CHAPTER 3

Characters: White Fang, Gray Beaver, Mit-sah, Kloo-klooch

Where: MacKenzie River, in the woods

Story: The Indians left the camp one day but White Fang sneaks out and don't went with them but later he changed his mind and go after them. Gray Beaver gave him meat when he saw White Fang again. Mit-sah was Gray Beaver's son White Fang saw him with other boys that was about to hit him but White Fang helped him out. When the boy told the story to his father he gave a lots of meat to White Fang. When the winter came there were no food for a long time so White Fang went to the woods for months. When he came back to the village Gray Beaver wasn't there but his wife Kloo-klooch is and she gave fish to White Fang so he was happy.

White Fang

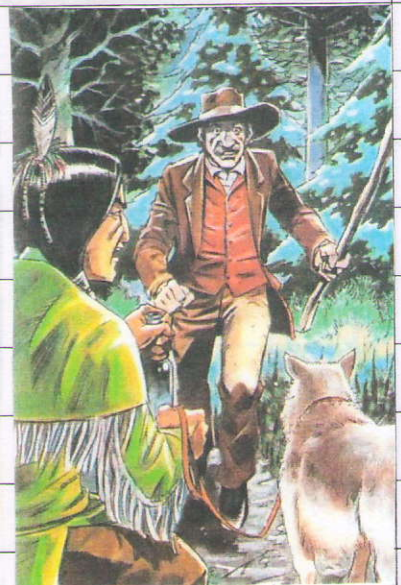

CHAPTER 4

Characters: Gray Beaver, White Fang, Beauty Smith

Where: Fort Yukon

Story: Gray Beaver took White Fang to a trip to Fort Yukon and there White Fang had to fight so much because he was good at it. Gray Beaver earned a lot of money with selling leather shoes to the white people and from the fights too. Gray Beaver was happy 'cuz he was rich now but White Fang wasn't because every one hated him.

One man that came with a boat loved the fights more than anyone. He also wanted to buy White Fang and he don't gave up with one try. He got White Fang but everytime he took him with himself White Fang came back to Gray Beaver but he wasn't his dog anymore so he can't do a thing about it. Beauty Smith was his new owner and he liked to hurt White Fang, he hit so hard like he can't walk and see anything. Later Gray Beaver left Fort Yukon and went back to Mackenzie.

White Fang

CHAPTER 5

Characters: Beauty Smith, White Fang, Scott, Matt

Where: in Dawson

Story: Beauty Smith took White Fang to Dawson with a boat. White Fang days was always the same he killed dogs and then sleep and then waking up by hitting and he hated his life. There was no dog for a fight for a long time it was spring, but all of a sudden there was a short but really heavy dog that could fight with White Fang. They started the fight but it wasn't like the other it was different because White Fang can't bit this dogs neck 'cuz it was too small. The dog suddenly grabbed White Fang's neck and do not let it go anywhere. One man named Scott, come in this moment and smacked Beauty Smith face and then pulled out the dog's teeth from White Fang's neck. He bought White Fang from Beauty Smith and told him to leave Dawson.

White Fang

CHAPTER 6
