

Certificate of Attendance

We hereby certify that

Bíró-szabó Ágnes

has successfully completed the training course

ChatGPT and Basic AI Tools

Teacher Trainer: Maryam Farahmand
Amsterdam | April 27 - May 02 2026

In this 30-hour course, the participant explored the basic concepts of Artificial Intelligence in education and were empowered to use basic AI tools, such as ChatGPT, to enhance teaching and learning. Moreover, they learned how to use AI tools to reduce their workload while being creative and actively engaging students, following the student-centered pedagogy concept.
