We hereby certify that

Pacsó Andrea

has successfully completed the training course

Recognizing and Addressing Autism and Diverse Communication Disorders in Early Years

Teacher Trainer: Nicola Montesin
Malta | June 22 - June 27 2026

In this 30-hour course, participants acquired the necessary knowledge and skills to recognize, understand, and support students with speech and language difficulties effectively. Through interactive activities and practical exercises, they deepened their understanding and emerged with a robust toolkit for creating inclusive learning environments.
